ASSEMBLY:	\$660.00

### Terms and conditions include:

TOTAL	\$660.00
-------	----------

- Your quote covers assembly labor costs only - if you have placed a turn-key order, we will contact you shortly with the additional component costs.
- Estimated ship date assumes that your files are complete and in our shop 24 hours before the start date and that your kit is complete and accurate and in our shop by 10:00 am on the start date.
- Errors in the files or kit may cause delays that are not covered by the delivery guarantee.
- Any additional non-standard services that were not included in the original quote may result in delays or extra charges.
